Cancellation/No Show Policy

We understand that life gets busy and you may need to reschedule your appointment. When we make your appointment we will accommodate your schedule as much as possible but we also would like our patients to understand we are reserving a time for you to see our provider. This courtesy makes it possible to give the best service here at Northridge Eye Care. If you need to reschedule your appointment please call the clinic as soon as possible or call at least 24 hours in advance.

Due to the high volume of patients needing appointments and the difficulty of filling last minute canceled appointments, our policy is as follows: after two missed appointments with no notice, you will have to pay a \$50 no show fee before being able to schedule again and if you do not show to that third appointment we will no longer be able to schedule you for any eye care needs.

We thank you for your trust in us here at Northridge Eye Care.
